

## Emily Rojas-Martinez

Digital Arts Major

### Profile

Seeking a part-time position where I can contribute my problem-solving skills, efficiency, and teamwork to support the success and growth of the company..

[Back to homepage](#)

### Projects

#### CSUS Graduate Photoshoot

Diana Lopez graduated from Sacramento State University and wanted to celebrate with a photoshoot with her cap and gown. The images were shot and edited by me.

#### Creative Works

I often like to take pictures with a 35mm camera in this case the first picture was shot with a DSLR camera and edited to have a film like look to it. The next two are pictures I took on an SLR camera
